June 2009

Over the next few months, Imperial A.I. Credit Companies will implement a series of transitions throughout our branch locations. These changes include the streamlining of our regional presence from thirteen to seven branch locations. Going forward, we will operate branches in the following cities:

Atlanta, GA	Philadelphia, PA
Chicago, IL	San Francisco, CA
Houston, TX	South Coast Metro, CA
New York, NY	

New branch contact information will soon be provided to all agents not currently serviced by one of these seven locations.

Be assured that once these changes are in place, Imperial A.I. Credit will continue to be a strong viable company. Our goal during this realignment is to be even more client-focused than we are today. Throughout this period, we will continue to provide all of our legendary services including:

- Our dedicated team approach, providing you with our industry experts to guide you through each step of the financing process
- Our unique agency programs, including leading CE courses and industry trade show support, designed to provide the resources and knowledge you need to grow your business
- Our customized finance programs created to meet your clients' needs
- Our continuing commitment to bring you the most creative thinking in the industry

We appreciate your on-going support and cooperation during this time and in the future. We will continue to inform you of our developments and progress.

As a reminder, agents affected by these consolidations will be provided new contact information prior to the transition. In the interim, please call our marketing department at 877.902.4242 with any questions you may have.

We look forward to providing the industry's highest standards in quality service to you and your customers and to continuing our *Partnership that Goes Way Beyond the Numbers*.

Sincerely,
